SUPPLEMENTAL RESPONSE

Sir:

This is submitted in response to the Office Action, dated November 5, 2003. As was stated in the letter dated January 28, 2004, issues regarding the completeness of the Office Action have been discussed with Examiner Ruthkosky on December 8, 2003 and again on January 28, 2004. Applicants have not been able to identify the references cited by the Examiner and have not received a supplemental Office Action as discussed in the telephone conversations. The telephone conversations with the Examiner are believed to fully comply with the necessary response to the Office Action within the original period for response.

To date, Applicants have not received a supplemental Office Action. Applicants again respectfully request a status check and issuance of the supplemental Office Action with the period for response restarted, copies of all non-US references attached, and an updated PTO form 892.

DP-302902

If there are any additional charges with respect to this Supplemental Response, extensions of time, or otherwise, please charge them to Deposit Account No. 06-1130.
